

# RED LOOKS AHEAD

## Health care services for longer stays abroad

Do you need a health insurance because you work or study abroad for a longer period of time?

Generali's health care services have the right insurance coverage for you for stays abroad with a duration of one to five years. Learn more about the different possibilities on the reverse side.

Should you have any questions, your insurance adviser will be happy to answer them and informs you also about offers which are tailored to your needs.

This publication is a non-binding marketing document from Generali Versicherung AG (Vienna). It is provided for information purposes only, and in no way represents an offer, solicitation or purchase recommendation. The statements and conclusions presented here are non-binding and of a general nature. They do not take the individual policyholder's needs into account, and may change at any time. The complete pre-contract and contract information is contained in the insurance application, the insurance policy and the insurance conditions. Detailed descriptions of the nature and scope of your insurance coverage is found in your insurance policy and the agreed contractual insurance conditions. An individual consultation is both necessary and recommended. We cannot be held responsible for printing errors or mistakes.
